2013 ASCE PACIFIC SOUTH WEST CONFERENCE
Surveying Competition

EVENT DESCRIPTION
This event is to assess students’ knowledge regarding land surveying field techniques, calculations, and precision in a time constrained setting.

PARTICIPANTS
- Each school may enter only one team.
- Each team must have 4 members with a designated team captain.
- Each team member must be a registered participant of PSWC 2013.

GENERAL RULES
- Each team will be given 5 minutes to prepare prior to the official start of each event.
- Each team will need to bring its own equipments, which includes:
  - 1 non-reflectorless total station
  - 1 tripod
  - 1 leveling rod
  - 1 pocket tape
  - 1 hammer
  - 1 NCEES approved calculator
  - Pencils
  - Reflective Vests
  - 2-way radios
- Prohibited equipments include prism rod, programmable calculators and laptop computers.
- Judges will have the right to prohibit the use of any equipment that may give a team an unfair advantage.
- Consultation with faculty, professional surveyors or engineers, or comparisons with other teams will be grounds for disqualification from the competition.
- All calculations and data entry must be shown in the provided competition package for submission to the judges at the conclusion of the competition.
- Each event will have a maximum time limit of 30 minutes for field measurements and calculations. Any team that does not submit the provided
competition package to the judges within the time limit will be disqualified from such event.

**SCORING**
- Teams will be placed in the order of answers’ precision.
- Recorded event times will only be applicable as a tie-breaker between teams

**ADDITIONAL INFORMATION**
- Future updates regarding specifics of the event will be provided on the website.
